AN ACT to name a bridge on State Route 285 in Van Buren County in honor of James Robert Haston.

WHEREAS, from time to time, the members of this General Assembly have seen fit to name certain highways and bridges in honor of those exemplary public servants who have contributed significantly to the growth and prosperity of their respective communities; and

WHEREAS, no Tennessean is more deserving of this honor than James Robert Haston of Van Buren County; and

WHEREAS, the Van Buren County Board of Commissioners has memorialized this body to name a bridge on State Route 285 to permanently commemorate James Robert Haston's bountiful life of purpose and commitment; and

WHEREAS, this General Assembly most heartily concurs with this excellent proposal; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Notwithstanding any other provision of law to the contrary, the bridge crossing the Millstone Branch on State Route 285, immediately south of its intersection with Bluebird Lane, in Van Buren County is hereby designated as the "James Robert Haston Memorial Bridge".

SECTION 2. The Department of Transportation is directed to erect suitable signs or to affix suitable markers designating such bridge on State Route 285 as the "James Robert Haston Memorial Bridge".

SECTION 3. The erection of such directional signs shall be within the guidelines prescribed by the Manual on Uniform Traffic Control Devices.

SECTION 4. This act shall become operative only if the federal highway administrator advises the Commissioner of Transportation in writing that the provisions of this act shall not render Tennessee in violation of federal laws and regulations and subject to penalties prescribed therein.

SECTION 5.

(1) This act shall become operative only if Van Buren County, Tennessee, either remits the estimated cost of the erection of such signs to the Department of Transportation within one (1) year of the effective date of this act or manufactures such signs in accordance with the provisions of subdivision (2). Van Buren County shall make such payment prior to any expenditure by the state for the manufacture or installation of such signs. The department shall return any unused portion of the estimated cost to Van Buren County within thirty (30) days of the erection of such signs. If the actual cost exceeds the estimated cost, Van Buren County shall remit an amount equal to the difference in such costs to the department within thirty (30) days of receiving an itemized invoice of the actual cost from the department.

(2) Van Buren County may manufacture and erect such signs provided that such signs are manufactured and erected pursuant to state and federal guidelines and approved by the department.

SECTION 6. This act shall take effect upon becoming a law, the public welfare requiring it.
